FRESH PRODUCE

We stock a wide range of fruit, vegetables and dairy supplies. From bananas to butternut squash, apples to aubergines and cheddar to creme fraiche. Supplies come in 3 times a week. Add whatever you need from these departments and we will endeavour to get them for you.

FRESH MEATS

We also stock a range of fresh meats. These are itemised within the main body of the stock list. In addition we can supply fresh joints of argyll lamb and beef, black pudding, loin chops etc.

FROZEN MEATS

Similarly we also stock a wide range of frozen meats, including local Balnahard Beef and Mutton. The Balnahard range includes various steaks, burgers, mince, sausages, chops and joints. Our other meat is sourced from Iain Darling Butchers in Oban. This includes pork chops, mince, chicken fillets, black pudding, haggis, lorne sausage and lamb legs.

Thank you for using this service. We look forward to seeing you on the island.
